THE MOBILITY ARRANGEMENTS

The mobility

The presentations about digital learning in their countries were clear and informative.

The meetings were moderated effectively.

The communication among partners was fluent.

I have a clear understanding of my tasks and duties regarding the project

I have a clear initial understanding of what flipped classroom is.

I have a clear initial understanding of how flipped classroom can merge with online learning.

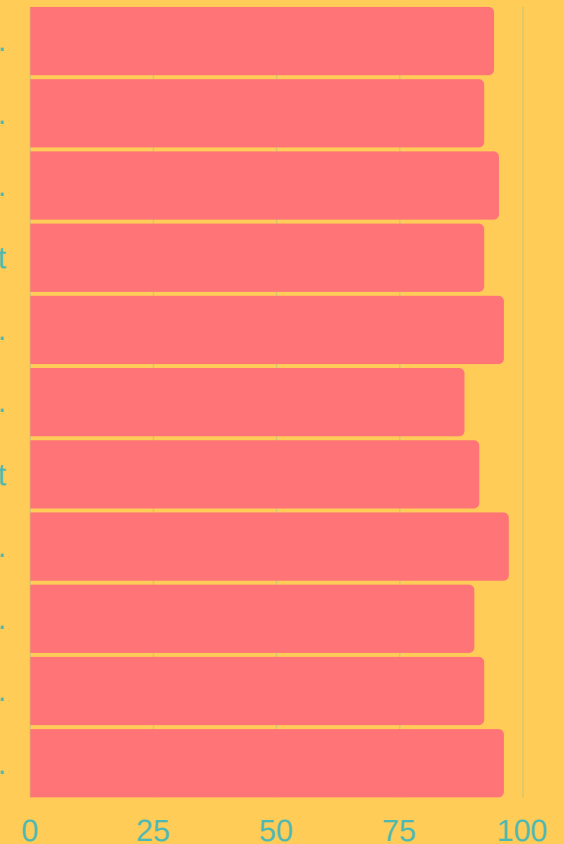

I have a clear understanding of the organizational procedures related to the project

The coordinator gave an answer to all the needs and doubts related with the project.

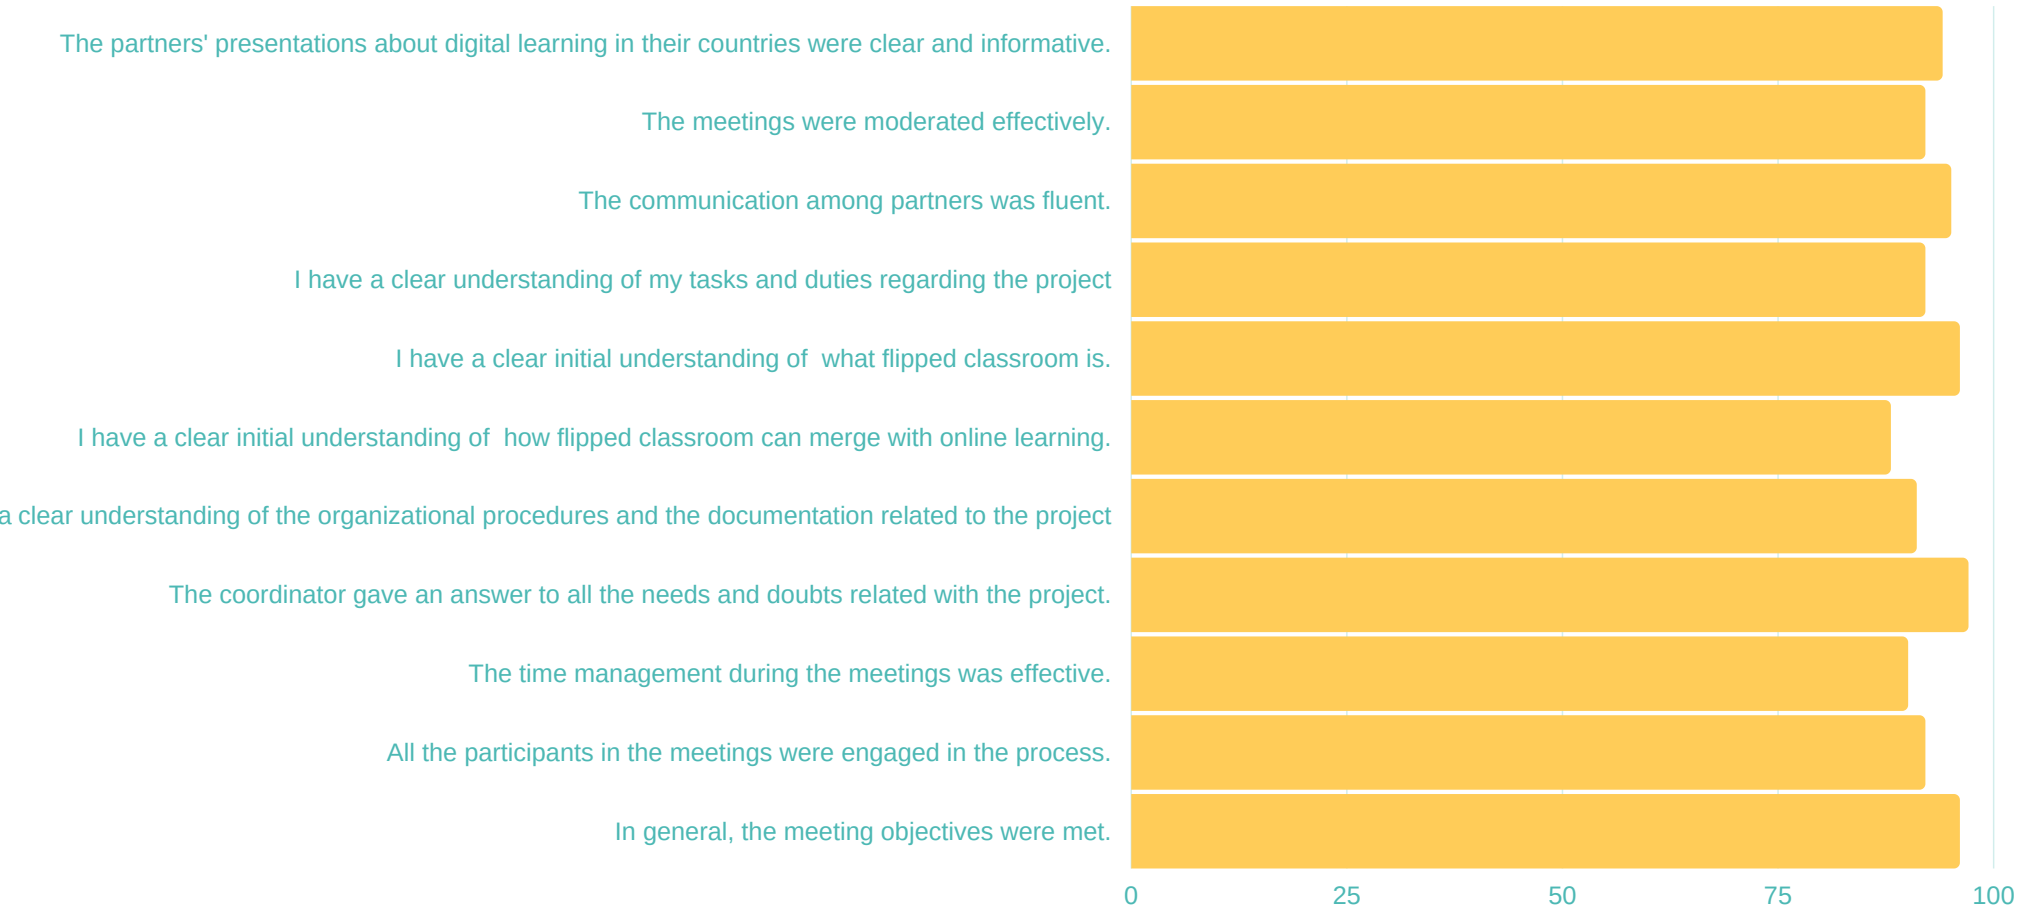

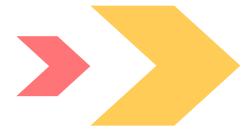

The time management during the meetings was effective.

All the participants in the meetings were engaged in the process.

In general, the meeting objectives were met.

The meetings

PARTICIPANTS' comments and suggestions

ICELAND

In my opinion the mobility was well organized and informative both professionally and culturally.

SPAIN

I have great expectations in this project. It is really engaging and it has a lot of innovative potential.

GERMANY

Maybe a less busy agenda

thank you!
