EDpuzzle

What is EDpuzzle?

EDpuzzle is a highly secure platform that allows teachers to make any video their lesson

Why EDpuzzle?

- + More than 65% of students are visual learners.
- + More than 95% of your students watch YouTube regularly.
- + Videos are a powerful resource, but it can be difficult to hold students accountable for something you can't track.

Power of videos

Simple editing tools

Dazzling student data

EDpuzzle

With Edpuzzle, students can only watch the video lessons assigned by the teacher. In other words, the teacher will be the one filtering the content from YouTube so that students can only view educational content.

EDpuzzle

EDpuzzle

Teachers embed their own questions in the video, and students will receive immediate feedback so they can see if they've understood the content or not.
