Erasmus+ Project**

Sutori

## What is Sutori?

**Sutori** is a collaborative instruction and presentation tool for the classroom.

The Sutori logo is displayed in white text on a blue background with abstract, overlapping circular shapes. The word "Sutori" is written in a clean, sans-serif font.

# Sutori

## Why Sutori?

- + With Sutori you can easily create stories which resemble a digital textbook.
- + With Sutori you can embed activities from other websites, such as Edpuzzle, Padlet and Kahoot!

# 3 WAYS TO USE SUTORI

## STUDENTS CREATE

Get students to create anything from essays to group projects. Anything can be embedded into a Sutori.

## TEACHERS SHARE

Share an interactive Sutori. Students learn by reading, watching, listening, answering quizzes and commenting.

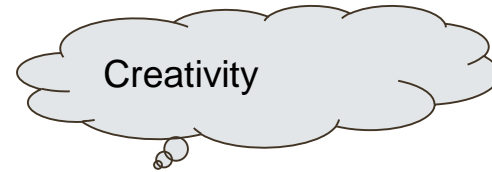

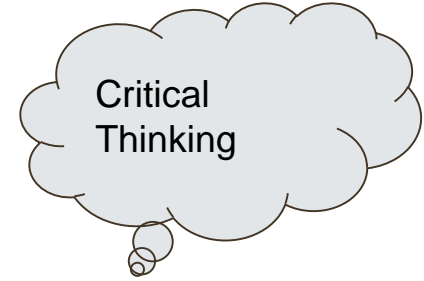

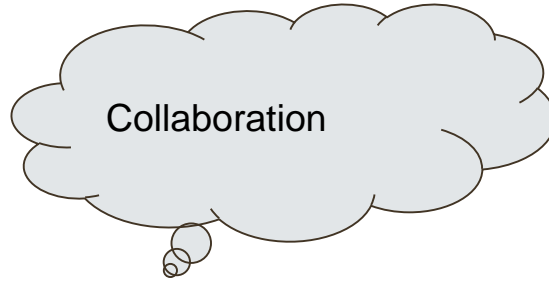

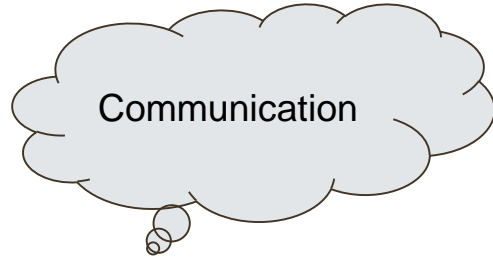

## TEMPLATE ASSIGNMENTS

Create templates. Pre-fill a story, give instructions to students and ask them to copy, complete and submit!

e-FLIP  
PROJECT

# Sutori and 4Cs

# Sutori

With Sutori, teachers can create lesson and lesson templates to be shared with the students.

Sutori

# Sutori

Teachers can add their own quiz in the Sutori story or embed one from another website, such as Kahoot!

The Sutori logo is a blue square with a white question mark shape inside. The word "Sutori" is written in white, sans-serif font, centered within the blue square.

# Sutori pros

- + With Sutori teachers create a fluid learning experience by embedding different type of resources into a story.
- + Sutori unlimited used to be free for education in the pandemic (until April 2021)

# Sutori cons

- + Sutori is a Freemium programm. With the free account, you can only add texts and images to your interactive lessons.
- + To add videos, audio, links etc. and embed quizzes you need the Sutori unlimited version, which costs 120€/year.

# How to use Sutori

- + Create a story
- + Add resources
- + Share it with your students
