# eStory Overview

The screenshot shows the eStory website interface. At the top, there is a dark navigation bar with the eStory logo, links for Home, Explore, and About, a search bar, and a user profile for Eleni Skrimpa with a 'Create Timeline' button. Below the navigation bar, the main content area features a section titled 'Most popular timelines'. This section displays four featured timeline cards, each with a title, a date range, the author's name, and a like count. The cards are: 'The French Revolution' (1775 - 1804, by Océane Kummer, 17 likes), 'Telefonun Tarihçesi' (1921 - 2008, by Melih Tahir Ezder, 15 likes), 'Naruto' (2000 - 2015, by Yves-alain Agbodjogbe, 8 likes), and 'Major Events of World War I' (1914 - 1919, by Jonathan Pinet, 8 likes). Each card includes a left and right arrow for navigation.
