

Application: **Edpuzzle** and **Mentimeter**

Class: IV.AO

Major / Field of study: Business Academy

Subject: CZE – cvičenia z ekonomiky (Economy Practices)

Topic of the lesson: Pension Savings

Language: Slovak

Teacher: Ing. Lenka Miková

Students were discussing the issues related to the previously assigned material to study (PRE phase of the e-FLIP Model). After that, they started to watch the topic-related video using Edpuzzle and gradually answered the questions resulting from the video content about Social Insurance Authority and social insurance system in Slovakia. Students worked individually using their notebooks.
