e-FLIP

MULTIPLIER EVENT REPORT – Turkey

Multiplier event organized face-to-face meetings with the participation of prospective teachers, teachers, administrators, teacher educators and policy makers at CERESTA Education Consultancy and Coaching Center in two different sessions on 13- 14 June, 2023. In these meetings, the e-FLIP Training Model, the Teacher Training Module and the e-FLIP Digital Platform were introduced. The meeting was attended by 37 trainers representing the target group. After the meeting, certificates of participation were issued to the participants.

After the finalization of the Project results, a multiplier event was organized in Gaziantep with the host of Gaziantep University, Education Faculty. The impact of this event was also an official launch of the Project results of the project that was expected at a local and national dimension. The participants were invited from Gaziantep, and the aims of this multiplier event were as follows:

- The dissemination of the PRs
- Flipped Online Teaching Model & Module and informed about the planned e-Book.
- Sharing the results and end-products of the project with educators and policy makers.
- Raising awareness about tools and approaches for effective and inclusive online teaching that would serve teachers' and teacher candidates' Digital Education Readiness.
- Sharing exemplary practices of the developed e-FLIP approach.
- Sharing the integration of e-FLIP Teacher Training Module into the teacher education program.
- Sharing the insights gained during transnational project meetings in partner countries.

The target group of the multiplier event included teachers (in general), teacher candidates, academicians, representatives of NGOs, experts, and policy/decision makers. Multiplier event organized face-to-face meetings with the participation of prospective teachers, teachers, administrators, teacher educators and policy makers at CERESTA Education Consultancy and Coaching Center in two different sessions on 13- 14 June 2023. In these meetings, the e-FLIP Training Model, the Teacher Training Module and the e-FLIP Digital Platform were introduced. The meeting was attended by 37 trainers representing the target group. After the meeting, certificates of participation were issued to the participants.
